

SRI VENKATESWARA UNIVERSITY

TIRUPATI
(Andhra State)

Dated...23.3.57

My dear Dr. Madhava Rao,

Your kind letter gave me a pleasant surprise. Dr. Vaidyanatha Swamy has seconded your nomination of Dr. Tiruvenkatachar and I have supported the same. I enclose the nomination paper.

Please do go here before you return to Kirikey. The University Campus lies right on the Bangalore-Tirupathi road, about a mile before you reach Tirupathi. I am living in one (No. 4) of the b. red houses by the side of the Trunk Road. If you let me know the bus which you will take, I shall wait ~~at~~ on the trunk road. If you tell the Conductor to stop the bus near the red houses in the University area, he will do so.

With kindest and

affectionate regards,

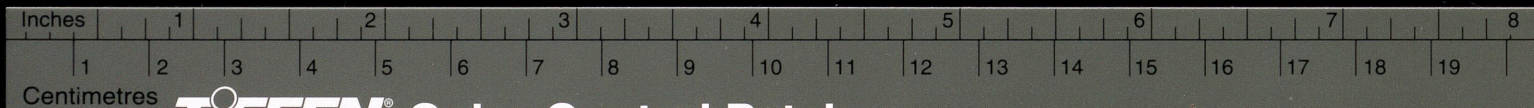

You might as well get Dr. Seshachar to bring you, Mr. ~~D.~~ M. P. L. Sashi and Mr. Mire (if possible) ^{by car}. It will be a delightful occasion.

SR Rao

Yours affly

SR Rao

March 27, 1957

My dear Dr. Mathava Rao,
I trust you got
my last letter.

I am happy to
see from the March issue of
'Current Science' that
you will ^{be} the President of
the Mathematics Section of
the Indian Science Congress
Session to be held at
Madras in Jan. 1957. Please
accept my heartfelt Congra-
tulations, though the honor
comes much ~~after~~ ^{later} be belated.

It is a pity
I shall be unable to go there
just now. Hence we shall
not be able to meet
each other.

It is likely that S.V. Uni-
versity may invite the
Indian Academy of Sciences
to have its annual session
here in Dec. 1957. The task
will be on me.

Raju told me that you
will probably contact Krishna
Prasad of Bharat Electronics
if he happens to be one of
our old students of C.C.B.
Kindly do the needful if
you have time before leaving
Bangalore for Kikee.*

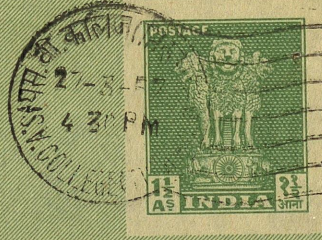

I trust all are well at home.
Best regards,

Yours Sincerely
S. Ramachandira Rao

* Tomorrow if
possible for me
subsequent days may be holidays
