Dear Niranjan Joshi,

How are you? I hope you are happy and healthy. I write this letter because I want some information about reference work services in our IISc at present. I know that many years ago there was service providing xerox copies of full research papers from journals there, we have to fill up some form and pay deposit to be member of such service scheme. I do not know the present status of it. Kindly write to me whom to contact for getting form. Here I am at a small place with no journals available and reference work is a big problem. If I give old references, our research papers are not accepted for publication. Only now I have got 5-6 research students working under me and they want to carry out reference work. I have to only plan, guide them and get them facilities for doing research. So kindly help me through proper contact.

I wait for your reply, thanking you with best regards

Yours friendly

Ajay T. Oza
