Sub: Intimation regarding the purchase of immovable property

Dear Sir,

I had purchased a housing site measuring 4060 sq. ft. at Lakshmipuram, Perur Chettipalayam. It cost me about Rs 35,000/- for the land (Rs 28000/-) and for registration (Rs 7000/-). About one third was met from my savings and the balance I borrowed from my father.

I request that the non-intimation before the register of property may kindly be waived and the ex post facto system be accorded for the said transaction.

Thanking you
Yours sincerely
