The Hyderabad Region
21st-1

HYDERABAD REGION

Note :- This is a field-list of the commoner birds of the Hyderabad region, and is arranged according to Families, in Classification order. Birds in each Family have been listed alphabetically. Columns are provided for use on 4 trips. The broken line on the map indicates the area covered by this list. Prime birdwatching areas are also shown.

BIRDWATCHERS' SOCIETY
OF ANDHRA PRADESH

COMMON BIRDS OF HYDERABAD

The BSAP was founded in 1980 with the object of spreading the message of bird conservation. Services to members include fortnightly field-trips, slide and film shows, discussions and talks, MAYURA the quarterly news letter, ID cards and badges. Enjoy nature-Join BSAP. For details contact Ph. 35272-Hyderabad.
