From

P. JOHNSON ESQ O.B.E.,  
DEAN  
-----

Dear Madhava Rao

I have just received a notification from the Ministry of Defence that you will be taking up the post of Professor of Mathematics cum Ballistics in this establishment and will be reporting for duty on 1st June. Having heard that you might not after all become available to us, I am delighted to receive this news and looking forward to welcoming you here.

Will you please let me know as soon as possible whether there is anything you wish us to do at this end. in respect of your domestic arrangements. If in the first instance you are coming alone I do not anticipate any difficulty in finding accommodation for you in the Officers' Mess. If however you wish to move straight into a house then we shall have to get very busy at once if we are to get you fixed up in time.

Unless there are strong reasons against, it would probably be more convenient if in the first instance you came alone and had an opportunity of looking round for yourself.

Yours sincerely

Patrick Johnson

Dr. R. S. Madhava Rao, D.Sc.,  
Principal,  
Central College,  
BANGALORE.
