My dear Krishnan,

Kati & I have the opportunity of doing a trip to Japan (where I am due to give some lectures and visit labs) and we are thinking it would be a wonderful occasion to see Delhi again and visit our friends once more. Specifically we shall arrive (from Israel) in the small hours of Friday March 17th & leave again (for Hong-Kong) on Wed Mar 22 at 6 AM. I hope very much that during this time it will be possible for me to spend a bit of time at the N.P.L. (possibly on Sat morning & Monday) and for both of us to pay our respects to all your family. On this occasion, there is no need to make any hotel reservation as a friend of ours who lives in Delhi (H.R. Ambler - I believe you know him) has kindly invited us to stay with him.

We are both looking forward enormously to seeing India again and renewing old friendships. With warmest greetings,

Yours David Shoenberg

P.S. We have been in touch with Raman, but for one reason & another haven't yet met him in person. We hope it won't be long before we succeed in meeting.
