My dear Dr. Swaminathan,

I am most grateful to you for your kind letter of felicitations and good wishes on my appointment as Director General, ICAR and Secretary, DARE.

I fully appreciate that the task ahead is onerous and challenging. I shall do my best to serve this great organisation you have so zealously nurtured. I shall look forward to your continued guidance and advice. With you as our Principal Secretary, I have no doubt that development of effective linkages between research and development would assume new and added significance.

With my best personal regards,

Yours sincerely,

O.P. Gautam
