Dearer Lacey,

I'm sorry for a delayed greetings on your birthday. Belated Happy Birthday. How are you now? It's quite a long time since we've not met each other. I'm just alright and still recovering from a sickness again. I'm still busy with my work and study, but the two bothers a lot to me.

I'm planning to visit by Sunday, if you're available in the afternoon. I want to see and talk to you, and also to Nera. Thank you... and again Happy Happy Birthday... Love Paul, and God bless...

Yours truly,
Giggis
