August 12, 1960.

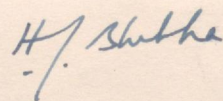

REF:DIR/Per-BVS/5638

Dear Dr. Sreekantan,

I have pleasure in informing you that the Council has decided to offer you a post of Reader in the grade Rs.950-60-1250 with effect from August 1, 1960. Your appointment will be on the same terms and conditions as your present one, and is subject to your observing the Rules and Bye-laws of the Institute as they may be modified from time to time. You are being made a Member of the Physics Faculty, but your Section will remain part of the Cosmic Ray Group, which is under the overall charge of Professor M.G.K. Menon. I take this opportunity of expressing my appreciation of the excellent work which has been done by you and your group under your guidance, and I express the hope that your new appointment will give you greater opportunities for making outstanding contributions to the advance of knowledge in your field.

Will you please let me have your acceptance of the post of Reader on the terms and conditions mentioned above?

Yours sincerely,

Dr. B.V. Sreekantan,
Tata Institute of Fundamental Research,
BOMBAY 1.

Professor H.J. Bhabha, F.R.S.
Director,
Tata Institute of Fundamental Research,
Bombay.

Dear Professor Bhabha,

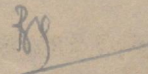

I am thankful to you for your letter Dir/Per/BVS/5638 dated 16th August, 1960. I shall be extremely happy to accept the post of Reader in the Institute on terms and conditions mentioned in your letter.

I am grateful to you for this offer and shall endeavour my very best to deserve the encouragement. I feel quite confident that with the continued co-operation of my colleagues, we shall be able to make worthwhile contributions in the field of high energy interactions and extensive air showers, in the next few years.

Thanking you,

I remain,

Yours truly,

(B.V. Sreekantan)

Dear Dr. Sreekantan,

I have pleasure in informing you that the Council has decided to offer you a post of Associate Professor in the scale of Rs. 1,300-60-1,600 on a starting salary of Rs. 1,300 per month with effect from August 1, 1963. Your new appointment will be for a period of five years in the first instance, and will be governed by the Rules and Bye-laws of the Institute as modified from time to time.

Will you please let me have your acceptance of the post on the terms and conditions mentioned above?

I take this opportunity of conveying the Council's appreciation of the very good work done by you and express the hope that the work done in future by you and those working under your guidance will make important and pioneering contributions to the advancement of physics.

Yours sincerely,

H. J. Bhabha

October 4, 1963.

Dear Dr. Bhabha,

I am thankful to you for your letter Ref. 66-63 dated 24th September 1963. I shall be extremely happy to accept the post of Associate Professor in the Institute on the terms and conditions mentioned in your letter.

Having joined the Institute as a research student in September 1948, I have just completed fifteen pleasurable years in this noble institution. It has been a rich experience and a privilege to be associated with the Institute during the initial phase of its rapid development. With the increasing facilities offered by the Institute and the continued cooperation of my colleagues I feel quite confident that we will be able to make important contributions in the various fields of research with which we are associated.

Thanking you,

I remain,

Yours sincerely,

(B.V. Sreekantan)
