26th March, 1952.

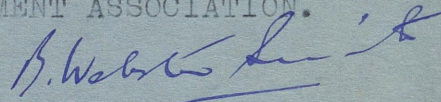

Sir K.S. Krishnan, F.R.S.,
National Physical Laboratory of India,
Hillside Road,
New Delhi.

Dear Sir,

In reply to your letter of the 4th March, which has only just reached us, we have pleasure in sending you to-day by sea mail a copy of our new booklet, "Copper: Its Ores, Mining and Extraction".

By the same post we are sending you as requested a selection of other C.D.A. publications. At the back of all these books you will find a list of current volumes, the majority of which are available, and if you desire any of these please let us know.

Yours faithfully,
COPPER DEVELOPMENT ASSOCIATION.

B. Webster Smith.

COPPER DEVELOPMENT ASSOCIATION,
Kendals Hall,
Radlett,
Herts

Dear Sirs,

Thank you very much for sending
me the following C.D.A. Publications,
numbers 12, 31, 43, 44 and 46.

I shall be much obliged if you
can send us such of the other publications
on copper and copper alloys which you can
spare.

Thanking you again,

Yours faithfully,

U&U
