Dungarpur Integrated Wastelands Development Project (DIWDP)

Udai Vilas Palace, Dungarpur – 314 001 (Rajasthan) Phone : 02964-2213

Dear Sir/Madam,

SIDA, the Swedish International Development Authority is presently supporting an Integrated Wastelands Project here in the District of Dungarpur in Southern Rajasthan in India.

I am presently working as Project Advisor to the Project. The integrative and pilot nature of the Project has led to a demand for a continuing coverage of what is being published in the International Literature on matters relevant to the Project.

When searching the literature, I have come across a publication by you, which could be of interest for the Project. I would therefore very much appreciate if you could send me a copy of said publication. If you would have any other publications on the same or similar subjects we would also be interested in obtaining these.

I include a slip with the title of the publication I am talking about. Please send a reprint to the address given below, cut at the line and attach the address to the envelope.

As you understand, this is a form letter, as I cannot write to you personally, but be assured that your publication if applicable is going to be distributed within the Project.

Thanking you in advance, I am

Sincerely yours,

Hans Egneus
