July 5, '74

Dear Ram,

Hi! It has been a long time since we met last (that too in US only I guess). Anyway here is an opportunity for us to get together. I am holding a small symposium on 'Many Body Problem' during the period Oct 1-5 '74, and would like to invite you to give a couple of lectures in your field pertaining to this topic. Chanchal and Chindhu are also very likely to come (I have written to them also). Prof. Manoj Pal of SINP has already accepted my invitation.

Because of shortage of funds we are not sure if we would be in a position to bare your travelling expenses. However, we shall be very glad to provide you with free lodging and boarding.

Why not bring dear Sushma and kids also that time. Weather would be marvellous in early October. I am writing to Chindhu and Chanchal also about it.

Kindly write to me at your earliest accepting our invitation.

My best regards to Sushmaji & loves to kids.

Sincerely,  
Ajeshwar
