Dear Peter

Judi James has recommended I contact you about a book that has recently been published in India.

The enclosed book is a Bibliographical Index to the Ornithology of the Indian Region, Part I, compiled by Aasheesh Pittie. This is an excellent bibliography which I am sure will be of great interest to your customers. I highly recommend that you include mention of it in your catalogue (perhaps with a small feature) since it is likely to be difficult to obtain outside of India.

If you are interested in marketing the book, can I suggest that you contact the compiler directly at the following address:

Pittie Alcast Private Limited
14-7-370, Begum Bazaar
Hyderabad 500 012
INDIA

Fax: 00-91-40-314064

I know he is keen to establish an outlet outside of India and would be pleased to hear from you if you decide to take up this opportunity.

I do hope you will be able to promote this book.

Yours sincerely

Richard Grimmett
