Respected Sir,

This is just to once again thank you on behalf of all the members of Gupta Foundation, my family and the people of Eluru, for kindly accepting our Gupta Award for the year 1996. We sincerely felt honored by honoring you with our award.

We enjoyed every minute of your stay in Eluru and for sure it was a great day for the people of Eluru for getting a chance for meeting a living legend like you. As you would have noticed, each and every single person appreciated and enjoyed listening to your speech. Most of them, like our selves felt lucky getting a chance to listen to your great message.

We will be soon sending you a copy of the video cassette and the photographs covering yesterday's function.

My Family, the Members of Gupta Foundation and Gupta Group join me in conveying you and your family and the members of your research foundation with our warm regards and in wishing a very happy and a prosperous New year.

Thanking You

Yours Sincerely,

M. M. Gupta  
Founder Trustee.
