My dear Sampat, Excuse me for not  
having written so long, due to lots  
of preoccupations here. I wrote to  
Goma to inform you all. I have got a  
cable of good news too. Be writing  
to Goma often. How are your studies  
starting? Give your full soul to  
it. I find working here very  
pleasant. Weather is quite hot  
(as in Madras or so). Eat eggs,  
fruits, salads & Bread & Milk.  
Write you full add. Your affl
