NOTES AND COMMENTS

(BY OUR RACING CORRESPONDENT)

EIGHTEENTH DAY—SATURDAY, 28TH JANUARY, 1989.

—: 0 :—

Aslam Kader goes from strength to strength. He had three wins, one second and one third from his five rides in the eight-race card which was decided on this day. But for two of his victories to get the all clear he had to make trips to the stewards room.

In the first case he objected against Pessi Shroff, the rider of Desert Warrior, after his mount, Way To Glory, had run one length behind that favourite in the 1,400 metres N.M.Irani Trophy. In the second he had to run the gauntlet by Hanut Singh, the rider of Stinger, whom he beat in the upper division of the 1,000 metres Ergue Royal Plate by two and a quarter lengths. Aslam won the first on protest and survived the second. His other winner was Colonel Grey.

The awarding of the Irani Trophy to Way To Glory was and continues to be the subject of much debate. Aslam complained that Shroff bumped and bored him. Way To Glory moved up fast on entering the straight to be in front at the 400. Meanwhile, Desert Warrior, who had trouble getting a clear passage through, accelerated rapidly when he was unhampered. With about 100 metres to go Desert Warrior shifted in onto Way To Glory and that colt hit and broke the false rails and suffered a bleeding injury to his right hind. Desert Warrior then went clear for victory.

It was apparent that Desert Warrior was travelling better than Way To Glory when the bumping took place. Whether he would have continued to do so or whether Way To Glory would have speeded up enough to go in front again are matters of speculation. If the former were the case the protest had to be disallowed as the interference was unintentional and if the latter were the case the protest had to be allowed. The fact that Way To Glory was awarded the race means that the stewards took the latter view.

One cannot, in all conscience, find fault with the official ruling just as one would not have been able to question a ruling against Aslam Kader, for it was a borderline case. As such, there is no point in quibbling about it.

There was not even the smallest element of doubt about the rightness of the rejection of Hanut Singh's protest. Ocean Prince, the favourite, went clear early in the straight and Stinger improved on the outside. Midway, Ocean Prince started to shift out and he continued to do so till he passed the post. Obviously, he went across the path of Stinger. As, however, the runner-up was in no way impeded because of the distance between the two the protest was purely on technical grounds and could not possibly be upheld.

Aslam had to work as hard on Colonel Grey as he had done on his two other winners. The grey, who became the fourth horse after Three Musketeers, Cornelian and Great Ormand to complete a hat-trick, has basked in the warmest smile of Dame Fortune this season. When he won his second race he did so

as Magic Dream was unlucky and now everything turned out right for him. He got an opening along the rail as the front-running Fairy Tern shifted out at the 1,400 metres Chand Bibi Plate because that six-year-old lost ground when coming in wide and could not give of his best because of the relatively weak riding of Pillay.

Trainer S-Mangalorkar has done very well with Colonel Grey, who started the season as a maiden. He had a double as his own Moonstruck gained his maiden victory in his third run in the 1,400 metres My Smita Plate. That colt, Magic Dream and Ocean Prince were the favourites to win while shocks were provided by Evening Star and Cupina, who upset jackpot hunters who turned up in large numbers because of the brought forward unsolved pool from January 22.

The runs to remember were those of Golden Quest, who was uncharacteristically ridden from behind and who, despite coming in very wide, was so eye-catching a place-getter that he advertised his fitness; Undercut, who was alerted when the race was over and who will be a different proposition when positioned better; and Gallant Bay, a flying late close third in a blanket finish which denotes the shape of things to come.

The runs to forget were those of Romantic Air, who, unaccountably, lost a favourable position in the straight and then came on purposefully; Anmol Sagar, who seemed to be disinterested and yet made the frame; and Hi Tensile, whose rear position shows that he was not a serious.

169 THE BATTLE AXE PLATE (H. V-A)—1800M.

Magic Dream, Mr. V. Satish Chander's C.D. Katak-trained filly, carried favouritism to victory by a short head in virtually the last stride to fulfill the promise of her last run and to gain a maiden success. In fact, she was better than Semiramis by more than the official verdict. Shroff, who was astride, twice preferred to seek a passage on the inside of Russian Roulette rather than opt for the open space on the outside of the grey. Thus he had to drive the filly hard with his hands to score from Semiramis, whom Malesh Narredu rode flat out under the whip. Russian Roulette, running over a suitable trip, attracted much support and did well to be half a length behind the runner-up and two and a half lengths clear of Torero, who raced in the rear with Haughty Run and came up well. Devil's Disciple raced a couple of lengths clear till soon on entering the straight. He then weakened rapidly and was last. Dandee was slow out as usual but was soon in middivision and was finally fifth. Considering that Magic Dream's victory should have been clear-cut she can be placed to win again. Split Decision ran well below known form.

170 THE N. M. IRANI TROPHY (T.3yrs)—1400M.

Desert Warrior lost in the stewards room after beating Way To Glory by one length on the track following the acceptance of an objection by Aslam Kader, the rider of Way To Glory, on whom there was a fair-sized wager, was kept fourth or fifth as Miles Away made the running and he was ahead of Desert Warrior, who was carrying a five kilos penalty for his last win. Aslam brought up M/s. Balbir Singh Anand and Lalil Sangtani's colt with a fast run on entering the straight and he was clear at the 400 at which stage Desert Warrior, who had to switch course at the top of the straight because of poor positioning, was fourth. Desert Warrior came up with a flourish but about

100 metres out moved in and bumped Way To Glory who went on to and broke the false rail. Way To Glory received a bleeding injury on the right hind. Desert Warrior was clearly the better of the two and he lost because of Shroff's carelessness both at the top of the straight and again when the bumping incident took place. As such, he should be persisted with. Finest Dancer, who took the turn wide, gave an improved performance although he was as many as five and a half lengths behind the runner-up. Miles Away, who made the running till the turn, was half a length further away. The winner was saddled by Raghunath.

171 THE V. JAYARAM PLATE (H, IV)—1000M.

It was a measure of the confidence of the Bezan Chenoy stable that Mr. A. Rashid and Maj. P. K. Mehra's Treasury was entrusted to Jehangir. The well-bred colt, who was a poor fourth last time out and who had won but once from six previous starts, now scored impressively. Fourth till entering the straight, he was third at the 400 where the front-running Sunburst was being challenged by favourite Eezzyy. He then shot clear and went on to a telling two and a quarter lengths victory over Eezzyy. That last outing winner was hard-pressed to hold Ever Loyal, who finished full of running, by short head. Aalishaan was now third from the start and was finally five lengths behind Ever Loyal. Sunburst was fifth. Sudden Boom lost ground at the start and Mon Ami was slow away. Rutba, who is on a familiar weight reducing mission by racing over unsuitable trips, was last.

172 THE MY SMITA PLATE (H, V-A)—1400M.

The betting indicated that it was a case of Moonstruck versus the other 14 runners. Owner-trainer S. Mangalorkar's colt, who had done nothing of note in his earlier run of the season which was only the second of his career, won with some authority. Shanahan had him about seventh as first Fireback and then Shubhashree made the running. The colt moved up purposefully midway in the straight and scored by one and three-quarter lengths from Friend's Opinion with Golden Quest three parts of a length behind and One Too Many a further neck off. Moonstruck can score again. Golden Quest was the most impressive of the beaten brigade. He was badly placed till entering the straight and he lost further ground when going out. He is ready to strike. Oceanus was about fifth all the way. Gallant Boy was prominent till the straight where he went out of it and finished last. Imprimis was an improveable sixth.

173 THE D. P. PANDOLE TROPHY (H, 4yrs&o III)—1400M.

The result was still open opposite the stands. At that stage, Classic Step, who had taken over the running from Eden Roc approaching the turn, was challenged by favourite Tunanza with Evening Star moving up on the inside of Tunanza and Rock Blade gaining ground on his outside. The unfancied Evening Star, who had won over 1200 metres earlier in the season, stormed ahead under the vigorous riding of Malesh Narredu and M/s. Yogesh Jain and trainer Vinayak's six-year-old kept going to hold Rock Blade, who was fully ridden out by Shroff by a neck. Tunanza was one and a half lengths behind with Undercut, who was moving the best at the close, three-quarter length behind. Classic Step was fifth. Tunanza did not fully fulfill the promise of her last run. Rock Blade did do but came across Evening Star in a galloping mood. Undercut is the one to keep with as she is at a tidy mark. Intense, who was third till the turn, could not sustain her effort. Eden Roc went right out of it and was a bad last.

174 THE CHAND BIBI PLATE (H, IV)—1400M.

A backmarker early and sixth of the eight runners into the straight, Colonel Grey was lucky to get an opening along the rail which became available when the front-running Fairy Tern shifted out. Aslam Kader drove M/s. Prem Chaddha, Sudhir Chaddha and Srichand K. Chhabria's colt through and kept him to his task to hold Al Bagh, who came on the far out, by one and a quarter lengths. Romantic Air was two lengths off and Follow Through was a further one and a quarter lengths behind. Colonel Grey has done trainer S. Mangalorkar proud as this was his third win in a row. It would now seem that he has reached the end of the line. The impressive runner was Romantic Air. Second, early, she was passed by several runners on straightening but she moved purposefully towards the close. Al Bagh was not well served by Pillay. He was kept too far back and was brought in very wide. That should be noted for the future. Hi Tensile and Bombycilla were never in it. Fight For Right was being brought to a halt by Eajrang Singh in the straight. The six-year-old who was running after a long lay off, collapsed near the winning post and died.

175 THE BROGUE ROYAL PLATE—Div. I (H, V-B)—1000M.

There was sustained support for Ocean Prince and Mr E. Abdul Majid's colt who was well turned out by trainer Bashir I. Khan, duly landed the short odds quoted about him to gain his maiden success in this the eighth run of his career. Aslam Kader kept him within reach of My Supremo and ahead of Stinger. Ocean Prince was clear early in the straight at which stage Stinger came up on the out. Ocean Prince started to shift out from midway and continued to drift further till the winning post. However, Aslam Kader kept him going with the use of the whip and he triumphed by two and a quarter lengths. Stinger was one and a quarter lengths in front of My Supremo, who was one length the good of Anmol Sagar. Ocean Prince did go across the path of Stinger but that colt was in no way impeded and Hanut Singh's objection against Aslam Kader was doomed to failure. Last-outing winner My Supremo ran upto expectations as did Stinger. Anmol Sagar did not seem to be serious and he must be noted for the future. Dustagir, Rue D'Amour and Blushing Belle were slow out. The last named did not reproduce her last run and was down the field. Pampered Pet, who was fourth from the start, was finally sixth, behind Bit of Gold. Olbergino was again a backmarker as was Invincible.

176 THE BROGUE ROYAL PLATE—Div. II (H, V-B)—1000M.

Mrs. Inderjit Sharma's Damodaran D. Pillai-trained Cupina, whom most people got tired of following, continued his own when snatching a short head verdict from Emigrant in a blanket finish as Gallant Bay was a neck behind. Ronald, who gained the only previous win of his career last season, had her about fourth as Hundred Marks made the pace to Beyond Belief and Emigrant. Opposite the stands Emigrant shot clear when Ronald brought Cupina on the far out. Gallant Bay came up late from sixth position to be six lengths clear of Hundred Marks. Gallant Bay will be too good to miss over a longer trip. The Optimist was about fifth throughout. There was talk of Lovely Lily. She was never in with a prayer. It is significant to note that Cupina had never been on board in all of her 12 previous efforts. Upgrade lost so much ground at the start as to be out of it and True Intentions was left.

An objection was lodged by Aslam Kader (WAY TO GLORY, placed 2nd) against P.Shroff (DESERT WARRIOR, placed 1st) for boring and bumping in the last 50 metres. The Stewards resolved to uphold the objection and to revise the order of placings as :— WAY TO GLORY — First, DESERT WARRIOR — Second, FIN'ST DANCER — Third, MILES AWAY — Fourth. The Sr.V.O. reported that WAY TO GLORY (Aslam Kader) sustained skin injury on the right stifle region during the race.
