

NEW HOSTEL, ROOM No. ....

TEPPAKULAM P. O.,  
TIRUCHIRAPALLI.

5. 2. 1954.

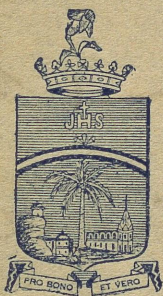

Dear Sr. Kishnan,

I hope you  
have returned safe from the south.

I don't know how  
to thank you. The boys have been  
impressed more than they are aware,  
and that is of greater value than  
degrees.

I am enclosing a copy  
of the trap taken by Ponniah  
which I hope you will keep. I'll  
keep my copy too.

Yours sincerely,  
Ms. Queiroz

My dear Kishan,

Many thanks for

யுலுவார் 21 வர் 9 லுர் லுர்? I gave the other

copy to P. E. I shall revise my

Tamil on it. I am happy that you

thought of sending us these reports.

Did you attend the Science

Congress this time? I didn't find your

name mentioned in the papers, and this

I wonder if you were not invited.

You in Calcutta must be  
having quite an anxious time, what  
with sand bags and benches at chiefs  
ignorant rumours and alarms. We  
are peaceful in our little village,  
except for a little artificial propa-  
ganda by the A.R.P.

How is Ambi? I hope

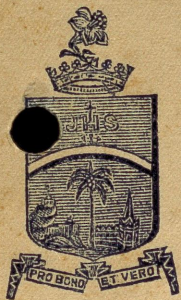

he ~~had~~ got some prizes this time.

Is Timodi with you? If you  
are coming South this summer,  
please let me know.

And remember me to Mrs.

Simiara Rao + M. S. Krishna.

Yours very sincerely  
W. S. Srinivasan
