Circular No.2/82

Dt: October 13, 1982.

Dear Member,

In September month's meeting, we had the privilege of the company of Mr. G. Ramanuja Rao, an experienced Pictorialist. Mr. Ramanuja Rao made the print criticism on the August month's competition entries which were on display and explained some of the rules of composition and their importance to the beginner in making a pictorial print. We are thankful to him for his desire to guide us and hope to learn much from his rich experience. The results of the August competition were announced and Mr. L. Vishwanatham gave away the prizes. It was Mr. B. Rajan Babu, AFIAP, who was the judge and the placings are as under:

| | | | | |
|--------|---|-----------------|----|----------------------|
| First | : | Lambada | By | Mr. P.V. Satya Mohan |
| Second | : | Tribal Portriat | By | Mr. A. Prabhakar Rao |
| Third | : | Landscape | By | Mr. R.V.S. Seshadri |

We extent our congratulations to the winners and thanks to Mr. Rajan Babu on behalf of our Members.

It is found that, of late, there is some slackening on the part of the members in participating in the monthly competitions. Please note that on the basis of the performance of members in these competitions through out the year, an annual prize or two are given, which will be decided on the basis of the cumulative points one gets. You may observe from the enclosed ' Rules & conditions ' of Members' Monthly Competitions that even if a person's photograph is not placed in the first three ranks, he gets two points towards participation. Further details can be had from the undersigned.

As per the decision of the Executive Committee which met on 7th October, 1982, there will be only one section participating in these competitions, namely Beginners, upto the end of this year. From January, 1983 onwards, the competitions will be held for both Advanced & Beginners workers. The subject for competition for October, November and December is OPEN. You may submit your prints on the meeting day.

Salon Participation: As you are aware that this division is quite active and our Club is participating in Salons regularly. The members willing to send their entries are advised to submit the entries and the prescribed entry fee (usually Rs.6/- per section consisting of 4 monochrome prints or 4 colour slides) to the undersigned. The postage on the entries will be borne by the Club. The following are the success of our members in Salons recently:

Yogender Nath etcetra have participated in the wild life competitions held on the eve of 28th Vanya Prani Saptaham, being organised by the Office of the Chief Conservator of Forests, Hyderabad. We share our happiness at their success and wish them a bright photographic future.

Meeting place and dark room: Suggestions are invited from the members for acquiring a semi-permanent place on rental basis to set up our dark room-cum-library preferably from early 1983. We are also looking for a place for our regular monthly meetings, preferably at a High School auditorium, so that we need not get the tables, chairs etcetra at every meeting. Both these places should be easily reachable and be convenient to majority in terms of bus convenience etcetra.

Advertisements in the monthly circular: As per the decision of the Executive Committee, we have started accepting advertisements in the Circular. There is no bar on the subject of advertisement, but photographic advertisements are preferred. The advertisement should not exceed more than 35 words and the matter should reach the Hon. Secretary on or before the 2nd Wednesday of the month in which the advertisement is to appear. The tariff is Rs.15/- per advertisement per month, payable in advance. If an advertiser wishes to make it regularly for a year, then the tariff is only Rs.150/- payable in advance in lumpsum. The members are requested to get us some advertisements, as this will generate some funds to the Club, which can be used for developmental activities.

October Meeting: This month's meeting is preponed from the usual 4th Wednesday of the month at the instance of the Executive Committee which met on 7-10-82, since the Dasara holidays are falling close to it. Now the meeting will take place on THURSDAY, the 21st October, 1982 at 6.30 p.m. For a change we will meet at Door No.5-4-405 (Upstairs of Moorthy & Sons), Gandhi Bhavan Road, Nampally, Hyderabad-500 001.

Circular No.3/82.

November 16, 1982.

Dear Member,

In October month's meeting, the September competition prints were displayed and the results as judged by Mr.J.B.Pentu, AFIAP, President of our club, was announced. Mr.Pentu who was present gave comments on the prints and indicated the possible way of improving the prints with respect to composition as well as quality. He emphasised the need for maintaining the print quality. The following are the results of the September competition:

| | | |
|---------|------------------|--------------------------|
| First: | "Portrait" | By Mr.R.V.S.Seshadri |
| Second: | "The Day Begins" | By Mr.G.Janardhana Rao |
| Third: | "Our City" | By Mr.A.B.Rameshwara Rao |

The monthly competitions were followed by the slide shows "why conserve wild life?" and "Its their world too", by courtesy Office of the Chief Conservator of Forests, Hyderabad, A.P. We are thankful to the officials of the above office for their gesture in making available these portifolios for the benefit of our members.

Member's success at FIP/MMC: The entry "Little Burden" by our member Mr.A.Prabhakar Rao has been awarded a Certificate of Merit at the monthly competition held in September '82 by Federation of Indian Photography, Bangalore. We congratulate Mr.Prabhakar Rao and wish him many more successes in future competitions. May we remind our young members that this competition is one of the best mediums available to the beginners for learning and improving ones own photography as the judges of these competitions usually give their critical comments on your prints and indicate ways of improving them. Participate in these competitions every month, where the subject is always OPEN and the sizes accepted are minimum $6\frac{1}{2}$ " x $8\frac{1}{2}$ " and maximum 7" x 9".

Members' successes at all India Salon: At the National Salon organised recently by Photo Circle, Hyderabad the following of our members had successes as mentioned against their names.

| | | |

| Mr.J.B.Pentu, AFIAP | 1 M | |
| Mr.L.Vishwanatham | 1 M | 1 CS |
| Mr.K.Vijaya Kumar | 2 M | 1 CS |
| Mr.D.Anjaiah | | 3 CS |
| Mr.M.Rama Gopal | | 4 CS |
| Mr.K.Mohan Rao | | 2 CS |

Congratulations to the successors and wish many more successes in the coming Solons. The members willing to participate in Salons are reminded that, they may submit the entries and the prescribed fee to the undersigned who will enter them in Salons as group entry. This will save you postage and also packing problem. Those members who wish to be guided for Salon participation are advised to approach either Mr.B.P.Reddy, Photography Section, R.R.Labs, Hyderabad-500 009, or Mr.L.Vishwanatham, H.No. 11-1-895, Old Mallepally, Hyderabad-500 001 or the undersigned.

Members' success at SSBMT Photographic Salon: We understand that our members Messrs B.P.Reddy, P.Yogendernath, M.H.Rehman and A.Sudhakar Rao had several acceptances at this

Salon conducted by CSIR at GOA recently. The entry "Spotted Dove" by Mr.B.P.Reddy won second prize in Nature section. We are happy at their success and wish that they will participate in Salons with renewed vigour.

Titles for the pictures: Whenever an author submits an entry for a competition it is expected that the author give a title to his entry. It is necessary, since either an acceptance or a placing is given to an entry and not to the author. Recognition of the accepted entry will not be possible unless it has a title. Secondly those who are aspiring for star rating should necessarily give the title, since untitled entries though accepted in Salons are not counted for this rating. Therefore make it a practice to give titles to the entries even when you are submitting them for our monthly competitions.

New membership: The undersigned has been receiving letters from the individuals intending to join our Club, requesting us to place them on our mailing list till January 1983, so that they would join in January 1983. Obviously they are under the impression that the annual membership is given for a period from January to December of the year. There is no such rule and one can join the Club at any time of the year. The annual membership of an individual expires only after 12 months from the month of his joining the Club. For example if you join in November 1982 then your annual subscription is due only on 1st November 1983 and not on 1st January 1983.

Provisional life members: Mr.D.Anjaiah, Hon.Treasurer wishes to remind the provisional life members about the membership instalments. It may be mentioned here, that a provisional life member will have to pay up all the instalments within a period of 12 months from the date of payment of 1st instalment to be confirmed as life member. Therefore we request such members to clear the instalments in time.

Monthly meetings and safaries: Our regular monthly meetings are held on every 4th WEDNESDAY of the month at 6.30 p.m. and the safari of the month will be on the following Sunday. The meeting place etcetra of the monthly meetings and safaries will be intimated through the monthly circulars for the time being.

SECRETARY'S REPORT FOR THE PERIOD 28-5-1982 TO 31-12-1982

Dear Ladies and Gentlemen,

I have great pleasure in presenting the first report on the activities of the nascent Club and the progress made with the co-operation of members.

Monthly circulars: At the decision of the Executive Committee the monthly circulars, which gives a comprehensive information about the activities of the Club, have been started with effect from September 1982.

Monthly competitions: In pursuance of Executive Committee decision, these competitions in monochrome have been held for beginners only for the months July to December, 1982. The judges for these competitions have been selected from the established photo artists from Hyderabad as well as from outside. So far, M/s M.Hasan, AFIAP., J.B.Pentu, AFIAP., B.Rajan Babu, AFIAP., O.C.Edwards, ARPS, EFIAP., B.P.Reddy., and Padma Sri T.Kasi Nath, ARPS, APSA, AFIAP respectively have kindly judged these competitions and gave their valuable comments and guidelines. Mr.D.Anjaiah's donation of 100 ft B & W film which is being used as prizes of 5ft & 3ft film respectively in these competitions have further strengthened the interest and competition.

Slide shows: We are able to project the slides frequently in our monthly meetings. Notable among them are: Members' slides on the eve of formation of the Club, Mr.Rama Gopal's slides in the month of September, 'Why Conserve Wild Life' and 'Its Their World Too' in October, and selected slides of 1st All India Salon organised by M/s Photo Circle, Hyderabad in November.

Safaries: Monthly safaries have become a regular feature of the Club. In the past seven months we could organise about seven safaries and visited places like, Golkonda, Dommaiguda, Kapra, Keesaragutta, Gundipet etcetra. Though initially the participation in these safaries was wanting, it had picked up well in recent months, which gave rise to a separate competition called 'Safari Competition'. This step was taken to further the interest of photography in members.

FIP/MMC: We have been participating in these competitions since September 1982 and in September and November months our members namely Mr.A.Prabhakar Rao and Mr.K.Madhusudana Rao have won the Certificates of Merit for their pictures. The December results are awaited. We are yet to make our mark in getting first place in these competitions.

Salon participation: There have been about half a dozen members participating in the Salons. The active participation from our senior members is lacking. The following are the success of our members in Salons conducted recently.

| | |
|---------------------|------------------|
| 1. J.B.Pentu, AFIAP | 1 MC |
| 2. B.P.Reddy | 2 MC |

| 5. D.Anjaiah | 1 NS, 6 CS |
| 6. K.Vijaya Kumar | 2 CS, 2 MC |
| 7. K.Mohan Rao | 2 CS |

Library: A beginning has been made to acquire books and magazines to our proposed library. We have so far acquired a book 'Photography, monochrome, creative and colour' by O.P.Sharma, FRPS and subscribed for the Indian Photography and Cinematography for a year.

Meeting place: Though we could not finalise a permanent meeting place for our monthly meetings, we did not find it difficult to get a place for conducting any meeting. We received instantanious offers to conduct these meetings at their places from several individuals. Notable among them are, Mr.Iqbal Osman of M/s Deccan Studio, where you are presently meeting, Mr.P.R.K. Murthy of M/s Murthy & Sons, Nampally, Mr.Syed Azam Hussain of Iqbal Manzil, Golkonda Cross Roads and Mr.Jaihind Babu of Jaihind Colour Labs, Near Lepakshi Emporium, Basheerbagh, Hyderabad.

Advertisement support: The young Club has been supported monetarily by means of advertisements regularly in the monthly circulars by M/s. Jyoti Art Studio, Secunderabad, M/s Dilip Studio, Hyderabad, M/s Swaraj Studio, Hyderabad. We also got **occasional** advertisements from M/s Mahavir Photo Emporium, Chikkadpally, Hyderabad.

Membership: The following is the membership of the Club in the past seven months:

| | |
|--------------------------|-------|
| Life Members | 1 |
| Provisional Life Members | 8 |
| Individual Members | 52 |
| Student Members | 3 |
| | ----- |
| Total | 64 |
| | ----- |

Executive Committee: The EC met thrice during the last seven months and took decisions on starting the monthly circulars, monthly competitions etcetra apart from other day to day function of the Club.

Registration: We have forwarded our application to the Registrar of Societies to register our Club under 'Registration of Public Societies Act'. We are awaiting the reply.

With New Year and Pongal Greetings,

Date: 31-12-1982.
