Dear Dr Krishnan,

We are very much interested in including an article on the recent Indian Science Congress session held at Agra in the MARCH OF INDIA. I shall, therefore, feel grateful if you would kindly agree to write this article for us. The length of the article may be around 3,000 words.

We wish to include this article in the March, 1956 issue so that the topical interest in the article is not lost. Will you, therefore, kindly send the article by 25th instant?

Hoping to hear from you by return of post,

Yours sincerely,

  
(Dr.) S. Man Mohan
