

THE LIBRARIAN OF CONGRESS

WASHINGTON, D.C. 20540

February 8, 1984

Dear Dr. Sreekantan:

Just a line to thank you for that delightful dinner with you and your colleagues at the Tata Institute of Fundamental Research. The conversation that evening was delightful for Ruth and me and put us on many interesting paths which we hope to pursue. We hope you and your colleagues will come to see us at the Library of Congress one of these days.

Warm regards.

Sincerely,
