Prof. of Mathematics & Ballistics,
Institute of Armament Studies,
POONA.

Dear Prof. Rao,

Permit me to introduce myself as your
Co-Examiner in Algebra in the last M.Sc. examina-
tion of Calcutta University.

I have been teaching here Abstract
Algebra and Topology for the last few years. I am
writing a book on Abstract Algebra. A portion of
the book has recently been published as part I.
I have sent a copy of the book to you. I shall be
very glad if you would kindly send me your sugges-
tions about the book. This will help me very much
in writing the latter portion.

The book and a similar letter was sent
to you at your previous address at Ferguson College,
as I was not aware of your present address. The
book came back and I have sent it at the present
address.

With best regards,

Yours sincerely,

Bankim Ch. Chatterjee
