Respected Krishnanji,

Please accept my New Year greetings and everything that goes with it.

I have often wished to write to you but I have been helpless. Every ounce of my energy has been spent in the last three months in attending to the new work before me. May I, therefore, commend to you the "PURPOSE and PROGRAMME of the Vivekananda Ashrama", which I am now sending on you today, and our measure of progress achieved.

I have to go to Delhi after the 15th of this month. Would it be possible for me to come and see you there in the third week of the month? If I have a letter from you before this, naturally, it would be easier for me to have my Delhi programme well fixed.

With kind regards,

Your sincere friend,  
*Swami Shivachaitanya.*
