

Andhra Pradesh Crocodile Conservation Project,
C/O Nehru Zoological Park,
Hyderabad 500 264.

3 Dec 1977.

To
The Director,
Delhi Zoo,

Dear Sir,

I seek your kind co-operation in the collection of data regarding captive breeding of mugger crocodile in your zoo. I understand that for quite sometime your zoo has been breeding the mugger. I would like to know some details of the same. I therefore request you to send me the details in the proforma given below.

Year	Date of laying	Clutch size	Date of hatching	Incubation period	Hatched and survived	Spoiled eggs	Hatching %	Remarks
------	----------------	-------------	------------------	-------------------	----------------------	--------------	------------	---------

Like age of female at the time of Laying

I understand that other than Delhi zoo Baroda zoo, Jaipur zoo, Ahmedabad zoo and Madras Crocodile Bank are the other institutions that have bred crocodiles successfully in the country.

I remain with the hope to hear from you soon.

Yours faithfully,

Binod e Choudhary, Research Scholar,

F.No. 11-19/76-D.Z.P.
