

D.O.No. 1844/29/77

August 11, 1977

Dear Dr. Chatrath,

I am most grateful to you for your kind letter No. ISNA/77 dated August 10, 1977. My sincere thanks are due to you and the other Members of the Society for your generous sentiments in my election as a Foreign Associate of the National Academy of Sciences of the United States, and Vice-President of the 15th International Congress of Genetics. Whatever I have been able to do is only because of the encouragement and cooperation I have received from fellow scientists like you and other members of the Indian Society for Nuclear Techniques in Agriculture & Biology.

With my best regards,

Yours sincerely,

*M.S.*  
(M.S. SWAMINATHAN)
