Sir K.S. Krishnan.

Sir,
I, a humble 15-year-old an autograph-collector, am keenly desirous of having your autograph in my autograph-Book. You will be pleased to learn that I have already been able to acquire a number of autographs of well-known persons including Sir C.V. Raman, Prof. J.B.S. Haldane, Jawaharlal Nehru, Mrs. V.L. Pandit, President Nasser, President Tito, S. Radhakrishnan, King Mahendra of Nepal etc.

I am enclosing herewith a sheet of paper from my autograph-Book. I shall be exceedingly glad if you give autograph on that piece of paper.

With my deepest regards to you.
