My dear Dr. Swaminathan,

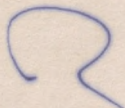

Good news travel fast! Congratulations on another additional prestigious award -- the Padma Vibhushan award you recently received. This must have been the reason you were not able to come to Washington for the World Resources Institute meeting. Anyway, I hope to see you and Tita Mina in the not too distant future here.

Regards to the family -- anymore grandchildren coming? Please do let me know next time you will be in this part of the world. My condo needs your blessings -- hope to hear the good news of your visiting.

With best personal regards from Sonny, Lucy Centeno and myself.

Sincerely yours,

Replied

Ms. Edith
