My Dear Sr Krishnan,

I am ashamed  
I myself for being unable to  
go to Allahabad for B.Sc. Practical  
Physics Examination. I have got a  
severe attack of fever & dysentery,  
& am confined to bed.

Yesterday I sent an Express  
Telegram to your Registrar  
& a copy of the telegram was posted  
to Dr. Bhargava & Dr. Moazzamdar.  
I have been trying since this  
morning to contact your Vice-Chancellor  
on phone & have not succeeded

as yet. I know all of you.  
Must have been put to lot  
of inconvenience & I am very  
sorry for it.

With best regards

Yours truly  
W. DeLong

Dear Professor Schell,  
I am sorry I could  
not write to you earlier.  
I was gone out.

I am very happy that  
you are attending the meeting  
of the National Physical Lab.  
of India to be held at Durbey  
on the 28<sup>th</sup> & 29<sup>th</sup> inst. I am  
confident that the scheme  
went forward under your  
guidance. I have written  
a detailed letter to Ghulam  
Mustafa today.

Your wish as regards  
Dr. Zakiuddin has been  
carried out. He has been  
given what he wanted.  
The higher authorities helped  
a lot in this connection.

With- heart- regards  
from both of us to both  
of you.

Yours very sincerely
