

SD. NO. 1995 (24/2)

August 25, 1977

Dear Dr. Wittwer,

I am most grateful to you for your kind letter dated August 16, 1977. I thank you for your generous sentiments on my election as a Foreign Associate of the US National Academy of Sciences. Whatever I have been able to do is only because of the encouragement and help I have received from my colleagues at home and from scientists like you abroad. I hope you will be paying us a visit soon.

With kind regards,

Yours sincerely,

M 25/8
