**SHRI MANAVALAMAMUNIGAL SHRINE,
at Sri Devarajaswami Devasthanam, Kancheepuram.**

The construction of the "MUKAMANTAPAM" in the Manavalamamunigal shrine was considered necessary by a large number of devotees. sanction of the then Hindu Religious Endowment Board was obtained in 1946. H. H. The Paramhansa Sri Thothadri Ramanuja Jeeyar Swami, H. H. The Paramahansa Sri Perarulala Ramanuja Jeeyar Swami, H. H. Sri Jagadguru Ghadi P. B. Krishnamachariar Swami of Kancheepuram gave Srimukam's (letters of introduction and Appeal). With these and with the help of certain other gentleman donations were collected from the public in North and South India. A sum of about Rs. 12,000 has so far been collected; H. H. Paramahansa Sri Alagiyamanavala Jeeyar Swami gave consent for using the stones of the dilapidated Mantapam at Thenambakkam which helped in a great way for the construction of compound walls.

Sri V. M. Nasasimhachariar, B.E., the then consulting Archiflet and Engineer to the H. R. E. Board prepared the necessary plans and drawings and has also helped a great is obtaining the sanction of the H. R. E. Board. The front Mukamantapam (5' x 40') was completed and the compound walls (120' length) for the interior Mantapam (40 feet square) is in progress. Bodais Utharams and pillars required for the interior Mantapam have arrived at site. A sum of Rs. 11,500 has so far been spent.

Sri C. Narasimhachariar the President, owing to our unfortune, passed away while the work was in progress. The committee expresses heart felt and sincere thanks to the tremendous work done by C. Narasimhachariar as President. H. H. Sri P. B. Krishnamaceariar then became the President.

It is estimated that another sum of about Rs. 10,000 will be required to complete the interior Mantapam. For the information of those who have so far donated and yet to donate, an account of receipts and expenditure is attached herewith.

SHRI MANAVALAMAMUNIGAL SHRINE
at
Sri Devarajaswami Devasthanam, Kancheepuram

A n A p p e a l

Kancheepuram is one of the important Kshetras known to all of us. In the spacious Shri Varadarajaswami temple, there are ^{separate} small shrines for Shri Ramanuja, Shri Nammalwar, Shri Manavala Mamunigal and others.

Shri Manavala Mamunigal shrine requires some renovation work. During the annual festival of this great Acharya, when Shri Varadarajaswami is taken in procession to the shrine and Sathumurai conducted, much inconvenience is experienced for want of proper mantapams. A number of devotees took up the work and the front mantapam is now complete. The inner mantapam has been taken on hand. The total cost is estimated at Rs.20,000.

One of the Secretaries of the Mantapa Kainkarya Committee has asked ^{me} to collect some funds for this good task, from Delhi, and I have agreed to collect about Rs.1,000 in the hope that the Astikas of Delhi would extend their full cooperation with munificent donations. I need not mention that only sizeable donations could (to go) make the promised amount of Rs.1,000.

May I appeal to the Astikas of Delhi to kindly offer their donations and receive the blessings of our Acharyas.

The appeal made by the Mantapa Kainkarya Committee is attached.

Board prepared the necessary plans and drawings and has also helped a great is obtaining the sanction of the H. R. E. Board. The front Mukamantapam (5" x 40") was completed and the compound walls (120" length) for the interior Mantapam (40 feet square) is in progress. Bodais Utharams and pillars required for the interior Mantapam have arrived at site. A sum of Rs. 11,500 has so far been spent.

Sri C. Narasimbachariar the President, owing to our unfortune, passed away while the work was in progress. The committee expresses heart felt and sincere thanks to the tremendous work done by C. Narasimbachariar as President. H. H. Sri P. B. Krishnamaceariar then became the President.

It is estimated that another sum of about Rs. 10,000 will be required to complete the interior Mantapam. For the information of those who have so far donated and yet to donate, an account of receipts and expenditure is attached herewith.

Sir, We are all doing well here and we are glad to hear about your safe return from foreign countries. I had correspondence with Sri Ok. Ramaniyaiah Swamy about the geernodharanam of Sri Manavakamunigal mantapam and requested him to consult you about the same. He writes to me from New Delhi about your safe return and adds about your advise advice in the above matter. I learn from his letter that my going over there will be a waste of time and money and you will undertake to collect some donations and ~~to~~ send the same home. This is a big kankaryam and an amount of Rs 12000/- was spent till now. The whole of the above amount was collected only from the Northern people and our people were not at all approached till now. My desire is that atleast an amount not less than Rs 10000/- should be had from New Delhi. We require. Still we require an amount of Rs 10000/-. The annual festival can be conducted from what we collect. But this kankaryam is not so but a permanent one.

So, I request you to be kind enough to collect atleast
one thousand rupees and to send the same home.
I intend reaching Kanchipuram by 5-11-58. Please
excuse me for the trouble. I hope this small epistle
I hope this letter finds you in thanking you in anticipation
good health.

Yours faithfully

(Sd) T. E. Satagopachariar.
