Dear Dr Ravi,

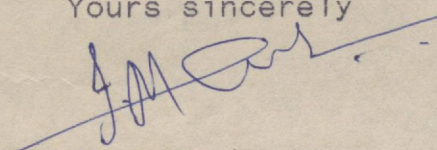

September 23, 1992

I recieved your letter and data sheet with a floppy. I fed all data in Dbase programme and copied two files in your floppy. One dbase file and other one is wordstar file.

Herewith I enclose two bills, one for you and another bill is for SACON. I charged very less for you and SACON because it will take 50 minutes for me to feed one sheet. Please send the cheque in favour of my name (Ivan Mendonza), Corporation Bank or Computech Prints.

With regards,

Yours sincerely
