Respected Sir,

I wish to convey to you my special thanks for your kind permission to visit NPL during my stay in New Delhi, on occasion of the Research Committee Meeting on 4-9-53. I already told you how I was admiring your work and how happy I was to spend a few hours in the very sympathetic scientific atmosphere of NPL. These hours will remain a bright spot in my remembrance of India. Please believe in the perfect sincerity of my statement. I also thank you for your kindness during the personal discussion on Monday.

Yours faithfully,

RR Wallauschek
