Dear Abdulali Sahab,

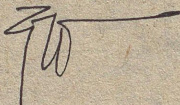

Thank you very much for the xerox copies of your Catalogue of Birds in the collection of the BNHS - parts 18 to 21. I received them in today's post. Will you please honour another impertinent request of mine and tell me how much I owe you for the above? I will be extremely grateful.

In the latest issue of the Journal i see that part 32 of the Catalogue has been printed. Please reserve a copy of the reprint for me.

What do you think of the little piece i wrote on the Waterfowl Census conducted last year, which has been printed in the latest Hornbill? Please comment.

Wishing you and Mrs Abdulali a Happy New Year from all three of us, and thanking you once again,

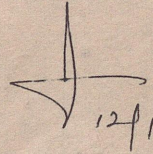

Yours sincerely,

Dear Abdulali Sahab,

Thank you for yours of 15th instant.

My parents are in Bombay at present. If you can arrange to have my copy of the Dec. 1987 Journal handed over to a person from our office, who will meet you in the Society 4-5 days hence, i would be extremely grateful. They could then send the journal by speed-post to me.

Thanking You

Yours sincerely

My dear Aasheesh,

If you will give me your parents' address in Bombay, I will try and send a copy of the journal to them. Or alternatively they can telephone to me at the above residential telephone number upto 9 a.m. or around 8 p.m., and I will make arrangements for a xerox copy of the relevant data to be left with them. Perhaps it would be best to get the relative papers xeroxed and send the copies to you so that you can get your journal in any case.

Perhaps I should have thought of this earlier but

Yours sincerely,

Dear Abdulali Sahab,

While in Bombay recently, i had requested you for reprints of the CATALOGUE OF THE BIRDS IN THE COLLECTION OF THE BNHS, and had promised to write details from Hyderabad. I want the following 2 reprints and would be extremely grateful if you could send them over to me.

- 1) Cat. of birds in the coll. of BNHS-32 (JBNHS 84/1)
- 2) Cat. of birds in the coll. of BNHS-33 (JBNHS 85/1)

Even though i have the journals, i find the reprints useful when they are all bound together in one volume as they become much more handier to use.

Thanking you once again,

Yours sincerely
