To,

Sh. Ravi Shankaran,
Salim Ali Centre for Ornithology
and Natural History
Coimbatore,

Dear Sir,

I have received all the literature
sent from your end, including photograph and
posters of Lesser Florican. But I have not
feed-back for any of your letter. Now I am
sending the summary of whole activities I have
done during this monsoon. I have done all this
single handed, but due to lack of vehicle in July-
Aug. I was not able to attend the work
properly. I have distributed the posters in village
Bhandariya of Jetpur Taluka. A single copy
is given to the Sarpanch of village; Vandarvad
Taluka; Bhesan; Dist: Junagadh. In Vandarvad
there is protected Veedee of forest department.
There is confirm report that Lesser Florican
were visiting this Veedee previous two years.
And at last I am sending the
field-note written by me during the last season.
The Znox copy of these notes ~~sent~~ enclosed for
your ready reference.

Thanking you much

yours faithfully
V. L. Nimavat
