Dear Dr. Krishnan,

You may be aware that Dr. S. K. K. Jatkar, Univ. Prof. of Chemistry, Poona Univ. Poona 7. has completed his sixtieth year during the month of sept. 1957. We are planning to celebrate this occasion in a suitable manner on 15th Nov. 1957. We have formed a committee to go into the details of the question and on behalf of that committee, and I have to approach you for your kind help and suggestions.

Dr. Jatkar has had a long distinguished record of service both at Indian Institute of Science, Bangalore and Poona Univ. Poona. and you may have an occasion to meet

him at close quarters as an scientist and as an
educationalist. You will, therefore, be having
recollections regarding his personal qualities.

which will be quite valuable to us. May I,
therefore, request you to send us your memories
of Dr. Ghatkar and blessings for the
occasion at an early date.

We are also collecting suitable
fund to initiate some student welfare
activity in the name of Dr. Ghatkar and
we should appreciate your esteemed
voluntary contribution on the occasion.

The contribution and the memoirs
may be please send to the above address.

Although actual celebrations will be held
on 17th Nov. 1985. early action in the
matter will be much appreciated as the
memoirs will have to be printed,

with regards,

Sincerely yours,
