Dear Mr. & Mrs Gole,

Our hearty thanks for all the excellent arrangements and your personal engagement during our recent visit to Poona/Panchshet.

It was an extremely positive and encouraging experience for the whole group, especially to our guests from Germany. It was indeed a great pleasure meeting you both.

We thought you might be interested in the enclosed report that came out of the workshop and outlining the issues discussed during the week.

Mrs. Mahesh joins me in thanking you and sending our very best wishes for your work in the New Year.

Yours sincerely,

Anke Wiegand-Kanzaki
