Dear Robin,

I thank you very much for your kind fax of July 11 with a message from Rosalyn Carter. I appreciate the generous sentiments of Mrs. Carter.

Now that the work of ICPF is coming to an end, I cannot thank you adequately for your monumental contributions to the work of the Commission. You have been a pillar of strength and have handled difficult matters with great tact and vision.

It has been a pleasure knowing you and working with you during the last few years. I wish you and your family good health and much happiness.

With warm personal regards,

Yours sincerely,

M.S. Swaminathan
