Dear Dr. Krishnan,

This is to confirm that I have arranged payment of \$50 to Dr. Dudley White of Boston, as requested by you.

Is there any possibility of your coming to Paris in the near future? If so please do let us know.

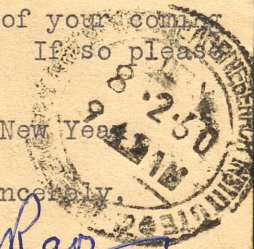

With best wishes for the New Year.

Christmas 1959

Dear Friends:

We think of you often and wonder how you are. We are looking forward to receiving your Christmas greetings and getting the latest news. It has been a hard year for us, since Joe's mother died last spring and Betty's mother has been sick since the middle of the summer (Mrs. Stafford is now feeling much better and will go back to Providence before Christmas).

(over)

We are planning a wonderful Christmas vacation in the U.S. Virgin Islands, loafing in the sunshine. We are looking forward most to the island of St. John, site of the newest National Park in the United States, where the swimming in the warm ocean water is reported to be fabulous (with beautiful tropical fish and coral formations) and where there are excellent hiking trails, etc. Hope to see you soon and tell you all about it.

Best wishes,

Betty and Joe Hirschfelder
