Dear Dr. Madhava Rao,

Professor M.H.Stone is arriving by Air-India on the 25th instant from Trivandarm. I have sent you already the notices of his lectures at Bangalore. Since the lectures are on a highly technical subject very few among the general public will attend the lectures. These lectures may kindly be announced in the Mathematics classes through the members of the teaching staff of the mathematics Department, so that students may attend the lectures in large numbers. The date and time of Professor Stone's arrival in Mysore may kindly be intimated.

Yours sincerely,
