174. NEW STREET,

Madurai...27...6...1953.

Respected Sir,

I hope you have had a comfortable journey. My boy, S. Vedantham writes to me to say how kind you were when he met you at Madras. He says you will be sending a formal communication to him here.

On receipt of it, I shall send him there. I will also inform you of the date of his arrival there.

Needless to tell you he is your ward hereafter, and with your blessings, he will make satisfactory progress.

Thanking you very much and with my respects,

Yours sincerely,
O. Sundararajan.
