My dear Ravi, 3-7-92
Congratulations! I hope you
have joined SACON by now. I was hoping
to have had a letter from you. So how is
the job and how are things at SACON? Do
write in detail. As you are aware, none of
us from WII made it. We are all eagerly
looking forward to the next lot of recruitment.

Can you do us a favour by informing
us about when the next advertisement
is to be published? That would be a big
help. Where you staying and what
are your present responsibilities? Did
you attend Siva's wedding?

Dr Johnsingh is away in Switzerland,
USA & Canada and is expected back
by 15/8. Wesley is in Avc finalising
his thesis with Dr Mcs. Justin is busy
with his elephant work & Blumovsky
with his turtle project.

After that hectic bout of travelling,
I reached Dehra Dun on 20/5 with
Bhooma & Kishwi. Both have settled
down to life here. I have shifted my
work to the hostel room at the
new Campus. The inauguration of the
new Campus is being planned for
December.

What news of Arjun? What are
his problems? I am sure all of you
as should be able to help him.
With absolutely no rans coming here,
and numerous deadlines and
promises broken, he is digging himself
into a no-win situation. Ask him
to write, if you meet him.

I have given my residential
address. The official address is:
WILDLIFE INSTITUTE OF INDIA
P.B. # 18
DEHRA DUN 248 001.

Write & Keep in touch. Very
best wishes.
Affectionate regards
Johnsingh
