Re word Sri,

I am enclosing an appeal regarding the renovation of Sri yathoktaka Hari Swami temple, Kanchipuram. It would be, perhaps, presumptuous on my part to emphasise the importance of this cause to a person of your type. The temple received a great impetus during the time of my grand father Jeyappa Iyengar whose name and fame is still in the mouths of elders in such holy places like Sri williputur. After his time this is the first occasion we are attempting to renovate it and it is a great thing that government has come in with a liberal grant of Rs. 5000/- as the printed appeal would show. But, we require an equal amount atleast to finish the work taken on hand.

I am sure this would receive your liberal consideration. The cheque can be drawn on the name of Sri

Mallappa Gata Gopa charai,
Secretary and Treasurer, Sri
yatho H. ta H. an Temple Renovation
committee. (approved by Govt.) and
sent to him or to me -

Yours in service
N. Jayappaingar
