Dear Colleague:

I duly received your letter of 31.8.83 in which you let me know Mr. Rajendra P. Tewari was awarded with, I am sure, / well merited doctorate degree. Please, tell him my best congrat-
ulations.

Regarding the possibility of his coming to join us, as you are aware, the critical situation of Brazil's finances / prevents us from any contract with Dr. Rajendra.

Anyhow, dear colleague Krishna, I will be alert to discover any possible arrangement to have his collaboration, as soon as our stringent financial conditions alleviate.

Hoping you are enjoying fine health, I am,

Yours sincerely

Oswaldo Gonçalves de Lima
