Dear Shri Ravi Sankaran,

Thank you for your letter dated 29.6.95. I am surprised to learn that that you have not received my acknowledgments to your letters

so far it has been a very bad beginning for our work. There has been almost no rains. I hope that in the next few days it will rain and if that does not happen I don't think it would be possible for us to start the survey in this month.

I hope by the time the florican poster reach me they will be being the rain along with them!

Thank you,

Yours sincerely
Bharat Singh
