Dr. M. S. Swaminathan
Director General
I R R I
P. O. Box 933
Manila, Philippines

My dear Dr. Swaminathan:

I enclose a copy of the letter I sent to Ms. Shapley. The secretary (Pamela - tel. 914-335-7274) of Mr. A. S. Clausi of General Foods informed me that she is reserving 4 double rooms for you thinking that your daughters and their spouses are also attending. Please let me know if this is the case. It would really be nice if all of them could come. Please let me know what other arrangements you want me to handle for you and your family.

Thanks for your E-mail. There is some change in my schedule as I will leave for Boise, Idaho on Friday, Aug. 7th and return Friday next (Aug. 14th). Mike and Lucy invited me to come and they will go out of town from Aug. 9-12th. I would have wanted to return immediately to be able to see Levi but the only next available flight I can get out of Boise is on the 14th. Therefore, I will be missing Levi when he comes here. However, I have left a letter for him so he can leave my mails to Vicki (the word processor who assisted you before) - she now works with me. I will therefore only get hold of your letter when I return on the 14th. I will then discuss the matter with you when you come in October. I hope this is acceptable.

Looking forward to seeing you, Tita Mina and hopefully Soumya and husband, Madhu and husband, and Nitya and husband. With best personal regards.

Yours sincerely,

edip
