

19th April 1995.

To

Mr.N.V.Joshi
C.E.S.

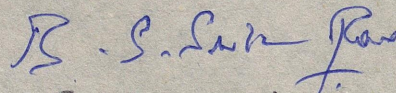

Dear Sir,

Thank you for sending the letter. We are getting
in touch with C.U.P.A services for certain clarifications.

This may help partially to control the dog population, *as it does*
not depend on many other factors.

Thanking you.

Yours sincerely,

(Dr.B.S.Subba Rao)
Chief Medical Officer.
