We wish to 'receive' our
one of Director, and also to
'see' Itake darshana! What
this one of India's greatest
scientist looks like.

We shall be very obliged
to you Sir, for their formatin.
Please excuse for the trouble
given.
Thanking
Sir, Yours

21/12

Jagadish Vidnyan Mandir,
110 Dadar Vidya Mandir,
Ash Lane, Gokhale Rd. North
Dadar, Bombay 14.
Wed. 15/12/48.

Dear Sir,

Everyone knows that the Director of our National Physical Laboratory, Sir K. S. Krishnan, is returning 'late in December' from abroad. Unfortunately for us, the exact date is never given beforehand by our, even the leading, newspapers.

So, it is only by writing to you that we can hope to learn that information. We are some young members of a Physics Club, Jagadish Vidnyan Mandir.
