THE UNIVERSITY  
ALLAHABAD

Dated 3<sup>rd</sup> Nov. 1947.

My dear Professor,

About a month back I had requested you in my letter to write recommendatory letters about me to Prof. Sahni & Dr. A.C. Chatterjee, for the post of a lecturer in Physics in Lucknow University. I do not know whether you wrote to them. The appointment has not yet been made as the University was closed for about a month. Now, the selection committee is going to meet on the 10<sup>th</sup> Nov. Prof. Sahni is leaving to-morrow for ~~Allahabad~~ abroad & therefore Dr. A.N. Singh will be the Dean of the faculty. I saw Dr. Singh to-day & he told me that I should get a letter from you. ~~As~~ As I <sup>can</sup> have very good chances of appointment with Dr. A.N. Singh as the Dean, if you kindly send a letter to Dr. A.N. Singh directly. It would be very nice if you could write something about my thesis in your letter to him. Sir, this is the last chance for me at Lucknow. It will

be now or never. Therefore I shall be highly obliged if you send the letter at your earliest.

~~or~~ I also do not know whether you have sent the report of my thesis. If not, please send it at your earliest convenience. ~~as Dr. C.~~ I am very anxious about my result.

I am going to expose BiS, BiO, ~~SiS~~, S60 after Dewali. Kindly let me know what I should about the publication of my work. Have I to change the form or send it to you as it is, to be forwarded to the Physical Society of London.

Once again I request you to kindly write to Dr. A. N. Singh.

Yours affly

Respected Sir Krishnan,

I came here with your letter <sup>for</sup> Dr. A. N. Singh. He was much impressed by it. He told me that Dr. Sahni has taken over as ~~the~~ Dean. The appointment will depend upon what attitude Dr. Sahni takes. I think if you write a letter about me to Dr. Sahni it will be all right. May I request you to kindly write a letter to him directly. I am very anxious about my future after submitting the thesis. You can well realise the situation if I have nothing to do.

The appointment will be made after a few days. If you <sup>kindly</sup> send the letter to Dr. Sahni at your earliest it will be very helpful.

Thanking you,

Yours obediently,  
C. B. Sharma

P.S.  
I shall be going back to Ald.  
to-morrow morning. I shall  
come to Delhi as soon as  
you direct me.
