Sir K. S. Krishnan

Sir:

I should like to compile a collection of autographs of prominent persons.

I hope you do not mind my imposing upon you and will permit me to include you in my collection as I sincerely believe that you, through your wonderful efforts and outstanding contributions, have endeared yourself to many people.

If you would be so kind as to autograph the enclosed card, I shall be very grateful. A return-addressed envelope is included for your convenience.

If you have a photograph available that you could autograph, it would please me immensely.

I would be most interested in knowing what you consider your greatest satisfaction during your distinguished career.

With cordial best wishes for much happiness and good health,

Respectfully yours,

Roger Harris
