Growing up  
is a great  
experience

The learning process has begun. A mother is in the making. Feeding on what is good and what is great.

It's the age of growing up. The age of learning. Storing up. Growing up with sweet and nourishing thoughts. Like biscuits.

Kwality's Glucos. Made with the best of ingredients for health and nourishment. Prepared hygienically.

It's the Kwality of Life

**KWALITY'S  
Glucos**

*Kwality's make superior biscuits.*
