Secretary.

BANGALORE-I

Dr. K. VENKATACHALIENGAR

Professor of Mathematics
College of Engineering
Treasurer.

..... 195 .

Dear

You have doubtless heard of the recent retirement of Prof. B. S. Madhava Rao, Professor of Mathematics in the University of Mysore and Principal, Central College, Bangalore, after a service of nearly 33 years. You are also aware of a move on the part of the citizens of Bangalore to accord to him a fitting reception and to honour him for the great service he has rendered to the cause of University education in Mysore. This Function is to come off soon. Besides this, it has been proposed that friends, students and admirers of Dr. Madhava Rao donate liberally to a fund to institute a Scholarship or Medal in the Central College to be awarded each year. We are requesting you to contribute liberally so that we might take adequate steps to institute the Medal or Scholarship.

Please send your contribution to the Treasurer Dr. K. Venkatachaliengar, Professor of Mathematics, College of Engineering, Bangalore.

Thanking you,

Yours sincerely,
